Dear Hiring Manager,

I'm writing to express interest in the Corporate Executive Protection position with Peeler Group International. My background includes 14 years of progressive experience in protective services, ranging from local law enforcement to multinational EP assignments for Fortune 100 executives.

I am a certified graduate of the Executive Protection Institute and hold current credentials, including DHS Threat Awareness, NYS Security License, and defensive driving certifications. My recent assignments include discrete long-term protection of a high-net-worth family in the New York area, coordination of threat mitigation strategies with corporate security teams, and global travel operations across Western Europe.

What draws me to PGI is your reputation for professionalism and operational excellence. I would welcome the opportunity to join your team of trusted specialists.

Thank you for your consideration.

Sincerely,

Your Name
